Colpitts World Travel

2008 Sales: \$169 million

Employees: 112

Previous Ranking: 46

“Colpitts World Travel is proud to announce that, once again, Colpitts had made the Travel Weekly Top 50 Travel Agency listing. For the 10th consecutive year, Colpitts had sales which ranked it among the top 50 travel agencies and travel management companies, out of over 20,000, in the United States. Colpitts’ President & CEO, Alan M. Krensky commented, “Everyone on the Colpitts Team is very proud of this accomplishment. Colpitts is pleased and privileged to have a team of travel professional who work to exceed our client’s expectations every day!”

Founded and operating since 1890, Colpitts is one of the oldest and most established nationwide travel management companies in the United States! Colpitts has continued to be a leader in the travel industry with extraordinary employees, a commitment to embrace technology and innovative and forward-thinking approaches to the ever-changing needs of its clients. With sales in excess of \$169 million, offices throughout the world and a Senior Management Team with over 150 years of collective experience, Colpitts is especially well-positioned to provide the most professionally managed and cost effective corporate travel management programs in the industry!
